On 01/10/2002 and 01/11/2002, SA [REDACTED] and Air Force Office of Special Investigations Special Agent [REDACTED] [REDACTED] assigned to the Los Angeles Task Force on Terrorism, [REDACTED] conducted a canvass of various hotels located on Sepulveda Blvd. in Culver City, California. The purpose of this canvass was to determine if any of the individuals associated with the attacks of September 11, 2001 had stayed at these hotels.

Los Angeles had obtained information from FBI San Diego and FBI New York that [REDACTED] a resident of San Diego who was interviewed as part of a proffer agreement at the Southern District of New York, had been introduced to NAWAF AL HAZMI and KHALID AL MIHDHAR, two of the hijackers on American Airlines Flight 77, by Mr. OMAR BAYOUMI, the spiritual leader of a Kurdish mosque in Magnolia, California. [REDACTED] further stated that in late Spring/early summer 2000, he and AL HAZMI and AL MIDHAR had taken a trip from San Diego to Los Angeles in order to drop off AL MIDHAR at the Los Angeles International Airport for a Lufthansa Airlines flight to Saudi Arabia. While in Los Angeles, the three stopped off at the King Fahad mosque in Culver City, California before continuing to an unnamed motel where they spent the night prior to going to the hotel. [REDACTED] had further added that he did not know the name of the hotel, but advised that the hotel was the "middle one" of three in a row. [REDACTED] recalled that AL HAZMI signed the register and paid for the room in cash, although [REDACTED] did not recall whose identification AL HAZMI used to rent the room.

Investigation by Los Angeles on 01/10/2002 and 01/11/2002 revealed the following:

On 01/10/2002, SA's [REDACTED] met with [REDACTED] [REDACTED] the Deano's Motel, located at 3868 S. Sepulveda Blvd., Culver City, CA. 90230, (310) 390-3511. Deano's motel is the "middle" motel between two other motels immediately adjacent to its left and right. [REDACTED] voluntarily provided the agents with the motel's guest registration cards from January 2000 to the present. While searching the registration cards, SA's [REDACTED] discovered a registration card under the name of [REDACTED] dated 06/09/2000. The registration card had the
